## AWARD

By Government of India, Ministry of Labour and Employment, New Delhi's letter No. 7/16/64-LRII dated 12th October, 1964, the industrial dispute between the employers of the Singareni Collieries Company, Limited, Kothagudium Division and their workmen was referred for adjudication with the following issues framed in the Schedule, viz.,

“(1) Having regard to the nature of duties performed by the workmen Sarvashri (1) Marepalli Anjah, (2) Shaik Mahboob (3) Tenneti Thatha Rao, Bank Mazdoors at No. 24 Incline, Yellandu Collieries, Singareni Collieries Company Limited, whether the management of the said colliery is justified in not placing the said workmen in Category VI as Bank Muccadams?

(2) If not, to what relief are the workmen entitled and from what date?”

2. The reference was registered here as industrial dispute No. 45/1964. I am happy to note that, before any evidence could be recorded, the parties have entered into a settlement by which the dispute has been fully compromised. I record below the terms of the settlement after satisfying myself that it has been duly executed. The terms are as follows:—

“(1) It has been settled that Sarvashri Marepalli Anjah, Shaik Mahboob and Tenneti Thatha Rao be promoted as Bank Muccadams and allowed a starting basic pay of Rs. 1-77 per day from 1st December, 1963, in Category VI and a basic pay of Rs. 1-87 per day from 1st June, 1964 in Category VI.

(2) The dispute stands settled fully and completely.”

3. It is evident that the above terms of the compromise cover both the issues referred. The workmen under consideration have been placed in Category VI as Bank Muccadams and the date from which the Category-VI wages are given is also specified in the terms of settlement. I pass this award in accordance with the terms of settlement noted above.

Report accordingly to Government of India, given under my hand and the seal of the Court this the 7th Day of June 1965.

## AWARD

The Government of India, Ministry of Labour and Employment, by their order No. 6/70/64-LR-II, dated 10th November 1964 have referred the industrial dispute existing between the employers in relation to the M/s. Bengal Coal Company

Ltd., and their workmen in respect of the following matters, for adjudication to this Tribunal:

1. Whether the management of Sodepur 9/10 Pits Colliery were justified in terminating with effect from 10th June 1964, the services of Shri Ghamman Mahato, Explosive carrier:
2. If not, to what relief is the workman entitled?

2. When the matter came up for hearing before me to-day, the parties stated that they have amicably settled the dispute and produced a memorandum of settlement, copy appended herewith. The dispute relates to a workman named Ghamman Mahato. He suffered an accident on 3rd December 1962 and was admitted to hospital. He received some injury on the eye. He was discharged from hospital in June 1963 with a recommendation that he would be given light job on surface only as he was not considered fit for underground job. The management contended that they created a special job for him pending disposal of his claim for compensation and he worked as an Explosive carrier on the surface. Later on he was awarded compensation under Workmen's Compensation Act and thereupon the employers discontinued him from service. This gave rise to the present reference.

3. Under the terms of settlement, the management have agreed to pay the workman concerned a further sum of Rs. 900 in full and final settlement of all his claims and the union have agreed not to press for his reinstatement. In my opinion, the compromise is fair and reasonable. I therefore accept it.

I pass an award in terms of the compromise.
